

July 24, 2023

Dear, Hilda Meriyandah Agil, MPH

Greetings from the SYSTED 2023 Secretariat,

We are from the committee of SYSTED Conference (System and Empowerment Sciences for Lifespan Development) 2023, delighted to inform that your paper with the title of “The Effectiveness of Game-Based Education ICANDO to Empowering Children to Do Oral Hygiene” has been ACCEPTED by the committee for Oral Presentation in our conference.

SYSTED provides an opportunity for the exchange of knowledge, ideas and experience related to the provision of care and services through lifespan, within an international context. By involving a variety of disciplines and promoting a holistic and systems approach to health and social services delivery, SYSTED aims to improve understanding of problems and identify potential solutions. SYSTED aims to improve understanding of issues and identify potential solutions by collaborating with a range of disciplines and promoting a holistic and systems approach to the delivery of health and social services.

Your valuable contribution as one of the speakers will inspire and benefit all the participants, including professionals, academics, and students in this field. The conference is scheduled to take place on:

Day/Date: Th/August 17<sup>th</sup>, 2023
